

Cornhill Training Course: Ministry Scheme Church List

Every student on the Cornhill Training Course is placed in a local church. This is done in one of two ways.

- A. Students on the **Cornhill Ministry Scheme** attend Cornhill part-time for two years (Monday and Tuesday in year 1, Thursday and Friday in year 2) while working for a local church for the remainder of the week. These students will usually expect some level of support from the church (e.g. Cornhill fees and travel, perhaps accommodation and living expenses). The precise levels of support will vary from church to church.
- B. Other students have **local church placements**, while attending CTC either full-time (4 days a week for one year) or part-time (2 days a week for two years while continuing in a part-time secular job).

This list includes only churches who have supported **Ministry Scheme** students recently, or expressed an interest in doing so. There may be other churches interested in supporting a Ministry Scheme student. If you know a church that would like to be included on the list please let us know.

Not all the churches listed below are able to take Ministry Scheme students every year. You will have to contact them direct to see if they are in a position to do so in the year when you want to start. **Please make it clear when you contact them that you want to do Cornhill.**

If you are applying for the Ministry Scheme, we suggest applying to Cornhill and, if you have existing links to explore, to a church or churches simultaneously. This helps to avoid needless delays in the process. **We are happy to help link up potential students with churches who are interested in having a Ministry Scheme student placed with them. Please indicate on your Cornhill application form that you would like our help in finding a placement church.**

For those not taking the Ministry Scheme, any of the churches on the list might be suitable for a church placement. In addition we have links with a good number of other churches who are glad to have Cornhill students on placement. If you are not applying for Ministry Scheme we will put you in touch with one or more of these after a successful interview at Cornhill.
