

ASSISTANT PASTOR VACANCY

FBC is a vibrant evangelical church in the village of Fressingfield, mid-Suffolk (www.fressbap.org.uk). We are Reformed Baptist in theology and love to worship God in a fresh contemporary way. Our services are attended by 100-120 comprising a diverse age range. We are very excited about what God has been doing among us and what he has in store for us.

We are seeking to appoint an Assistant Pastor to work alongside and under the guidance of our Senior Pastor in **ministering God's word, discipleship, pastoral care**, and supporting the various ministries of the church including **evangelism** and **schools work**. We are hoping for an autumn 2016 start date.

The candidate should have a passionate commitment to Christ, a desire to make God's love known, and a possessor of good communication skills. This position is a fantastic opportunity for a recently graduated theological student who has been called to pastoral ministry and desires a loving church family to help them develop their gifting. It may also be a great opportunity for a current pastor looking to rebuild after a period of difficult ministry.

For details or to apply send CV and covering letter to Paul.Lintott@gmail.com
