

Christ Church, Cambridge is an evangelical Anglican church in central Cambridge committed to evangelism, the growth of individual believers and maturity in the body of Christ.

We are seeking to make a new staff team appointment from January 2018 who will:

- Demonstrate godliness in their life and ministry
- Be part of the senior pastoral team
- Preach and lead services regularly
- Have oversight for small groups across the church

We want to appoint someone who shares our passion for gospel focussed and Christ exalting ministry that will grow us as a community of believers.
