

## **BRADLEY STOKE EVANGELICAL CHURCH**

### **PASTORAL ASSISTANT**

#### **ROLE PROFILE**

Bradley Stoke Evangelical Church (BSEC) is situated in the town of Bradley Stoke, a few miles North of Bristol. Our mission is to know God and to make Him known. Our aim is to give everyone in our area the opportunity to hear and believe the gospel and to be a church of loving, prayerful and effective witnesses to all those we meet.

We started as a small church plant in the 1990's and have grown steadily; we now have 80 adult members and over 40 younger people meeting regularly. The church is diverse in age and background and includes many young families and many nationalities. We are part of the Fellowship of Independent Evangelical Churches (FIEC).

As we thank God for the continuing numerical growth we have seen in recent years, we believe we need to appoint a Pastoral Assistant to help our Pastor with all aspects of his ministry in the church and with particular responsibility for our growing work among young people.

While the role will be flexible to fit the man appointed, it will include preaching and teaching, outreach and responsibility for the ministry to young people.

We are seeking a man with some theological training who has a heart for the Lord, the gospel, the lost and for young people, and who has a call to full-time ministry.

Ideally this is a full-time role, but it could be combined with some further ministry training.

- Leadership of ministry to young people
