

Two exciting opportunities at Oakhall Church Caterham:

- **Youth Work Team Leader**
- **20's Events Co-ordinator**

We are currently in the final stages of completing our new building to give us an excellent tool for continued outreach into our local community. As part of this new phase in our church life we are seeking to enlarge our growing team by adding these two posts.

All of those serving in our team share in our Bible-centred ministry in this large and vibrant independent, evangelical church.

The post of **Youth Work Team Leader** involves heading up, equipping, training and encouraging the current volunteer youth work team, overseeing midweek activities and developing the work within the church family and into the community.

The post of **20's Events Co-ordinator** involves establishing midweek activities and developing the 20's work within the church family and into the community.

As a church we are committed to professional development, training and giving diverse opportunities to our serving team. Accommodation is provided for each post. Both posts have the occupational requirement of being a Christian and require a DBS.

An application form, church profile and further details of the role are available by e-mailing: office@OakhallChurch.org.uk

Oakhall
CHURCH WELCOMES YOU

Church Office: 57 Tupwood Lane, Caterham CR3 6DB
