

Emmanuel Baptist Church, Leeds

Assistant Pastor

Emmanuel Baptist Church is a growing church in the North West of Leeds, Yorkshire. We are beginning preparations to plant another congregation in the wider Leeds area. We are looking for an Assistant Pastor to join our pastoral team.

Our vision is to train men who want to serve the Lord long-term and this post is suitable for a recent graduate from theological college or for someone who wants to gain wider experience before taking on his own Pastorate.

We would also be particularly keen to hear from anyone who believes the Lord has called and equipped them to be a church-planter. The position offered is initially for a 3-year period, extendable by mutual agreement for a fourth year.

The successful applicant will share in the preaching and pastoral oversight and will, depending on gifts and experience, take responsibility for evangelism and children's/youth ministry.
