

Ministry Trainee

We are looking to recruit Ministry Trainees for September 2019. Every September at Emmanuel Church Wimbledon we welcome Ministry Trainees who are usually with us for two years while they attend the Cornhill Training Course. Accommodation and living expenses are provided.

We love having men and women who are exploring ministry and looking for opportunities to develop their gifts and experience church-based ministry firsthand. Some of these opportunities include:

- Helping and leading youth groups alongside other youth leaders
- Being a full member of the staff team
- Having administrative and practical responsibilities to assist in the practical running of the church
- Giving talks in a number of different contexts
- Receiving training on the Cornhill Training Course.
